To Whom It May Concern'

I am a local endodontist who has had the pleasure of working with Dr. Andrew Pallos the past several years. Dr. Pallos is one of the outstanding dentists in the South Orange County area. The treatment he recommends and provides for his patients is of high quality. I enjoy working with Dr. Pallos's patients because they have a high level of respect and confidence for him. Dr. Pallos in return treats his patients with respect and compassion.

I would highly recommend Dr. Pallos for any type of dental position.

Sincerely,
